How do I get to my class on Blackboard?

There are three ways you can navigate to a Blackboard class.

1. The recommended route is to go to http://allencc.blackboard.com.
2. You can also go to the Allen homepage at www.allencc.edu. From the homepage, you click on the Blackboard option that appears near the top center of the screen.
3. You can also get to a Blackboard course through the myAllen portal (http://my.allencc.edu/ics). From the portal homepage, you will click Blackboard Login.
These three routes will take you to the Blackboard Login screen.

**How do I log into Blackboard?**

Once you have reached the Blackboard Login screen:

1) Enter your username. Your username is your Allen student ID number.
2) Enter your password. Your password is your 4x4 password (the first four letters of your last name and the last four digits of your social security number).
3) Click **Login**.

After you enter your student ID number and password and click **Login**, you will see a screen that looks similar to the one below. Locate the “My Courses” box on the right side. “My Courses” is circled in the screenshot below. Click on any underlined title in the “My Courses” box to enter the class.
